## Memorial Day Pool Refresh Quick Cheat Sheet

Before the first big weekend of summer, walk your pool and review:

- 1. Waterline tile
- 2. Grout condition
- 3. Calcium or mineral buildup
- 4. Coping cracks or loose pieces
- 5. Deck texture and drainage
- 6. Natural stone staining or sealing needs
- 7. Baja shelf and step visibility
- 8. Pool finish condition
- 9. Fire and water feature performance
- 10. Raised walls and cladding
- 11. Outdoor kitchen or lounge-area transitions
- 12. Lighting and evening views
- 13. Safety barriers, gates, and drain covers
